

LET THERE BE LIGHT (Reprise)

From the beginning, the Father
had a magnificent plan,
revealed through the law and the prophets
to fulfill the redemption of man.

He spoke after cent'ries of silence,
In the midst of a still, starry night.
And Emmanuel came down among us.
And the Father said, "Let there be light."
Let there be light,
Let it shine bright,
Piercing the darkness with dazzling white.
Hope for the hopeless was born on that night,
When God sent His Son and said,
"Let there be light."

We who are His have this calling—
To praise Him, and make His name known,
So one day the presence of Jesus shines
In ev'ry heart and ev'ry home

Let there be light, let it shine bright,
Piercing the darkness with dazzling white.
Hope for the hopeless was born on that night,
When God sent His Son and said, "Let there be light."
Piercing the darkness with dazzling white,
Hope for the hopeless was born on that night,
When God sent His Son and said, "Let there be light."
"Let there be light."
